I've been waiting, long forgotten  
Shipwrecked on a distant shore  
Am I drifting, no more wanted  
Floating outward evermore

All the dreams that I have harbored  
In the labyrinth of my soul  
Gone forever  
Not discarded  
Only sleeping  
Till they're whole

In the graveyard of my heart now  
Sleep the years that I've long sold  
For their markers is there nothing  
Only ghost I cannot hold

And Father hear me  
I am tired  
Shall I waken  
In thy home

And hold me closer  
I am trying  
Sweet Lord Jesus  
Heal my soul
