Cheshire cat  
Don't rip your soul  
Don't turn your back  
Don't turn your back

Car rolls by  
Moves real slow  
Fade it to black  
Fade it to black

But nothing's going on  
Nothing's going on  
Nothing's going on  
Nothing's going on

Twisted nerves  
On shifting feet  
Taking up slack  
Taking up slack

Gone too far  
You can't retreat  
Cover your tracks  
Cover your tracks

You know, there's nothing's going on  
Nothing's going on  
Nothing's going on  
Nothing's going on, no

She's no queen of hearts  
But she's good to me  
Bring her coffin roses  
Brush her thorns and let it bleed

Just a hardcore dancer  
Puppet on a string  
One crippled romancer  
Strung so tight  
You gotta watch her swing

Nothing's going on

Nothing's going on  
Nothing's going on  
Nothing's going on

Nothing's going on  
Nothing's going on  
Nothing's going on  
Nothing's going on

Nothing's going on

Alright
