[Somewhere in Time]

So what can I tell you  
If life's the length of this play  
Perhaps God gave the answers  
To those with nothing to say

The years are forgiven  
If God's forgiving and kind  
Perhaps we'll all find the answers  
Somewhere in time  
Somewhere in ...

[Alone You Breathe]

You were never one for waiting  
Still I always thought you'd wait for me  
And have you from your dreams awakened  
And from where you are what do you see

Which of us is now in exile  
Which in need of amnesty  
Are you now but an illusion  
In my mind alone you breathe

You believed in things that I will never know  
You were out there drowning but it never showed  
Till inside a rainswept night you just let go

You've thrown it all away  
And now we'll never see the ending to the play  
The grand design, the final line  
And what was meant to be

In the dark a distant runner  
Now has disappeared into the night  
Leaving us to stand and wonder  
Staring from this end into your life

You believed in things that I will never know  
You were out there drowning but it never showed

'Til inside a rainswept night you just let go

You've thrown it all away  
And now we'll never see the ending to the play  
The grand design, the final line  
And what was meant to be
