So would you tell me now  
Are life and death a symmetry  
Balanced on scales  
Neither side chosen  
And could these moments  
Balance out against eternity  
Promise inferred  
Words never spoken  
My life is burning  
Could you read by the light  
Letters IÃ,Â¹ve written  
Never to follow  
Poets and madmen  
All defy reason  
Still in my mind I know  
I want to live my life with you  
Dying hard  
Play my whole hand until itÃ,Â¹s through  
Dying hard  
And in your arctic night  
You contemplate eternity  
Walking on water  
Frozen in silence  
And in that moment would you  
Turn around and turn to me  
Laughing away nightÃ,Â¹s darker tyrants  
My life is burning  
Could you read by the light  
Letters IÃ,Â¹ve written  
Never to follow  
Poets and madmen  
All defy reason  
Still in my mind I know  
I want to live my life with you  
Dying hard  
Play in my whole hand until itÃ,Â¹s through  
Dying hard  
Some nights I spend alone inside my head  
But itÃ,Â¹s better than losing it  
And if you want to turn your life around  
ItÃ,Â¹s your life youÃ,Â¹re choosing it  
I want to spend my life with you

Dying hard  
Play the whole hand until it's through  
Dying hard
