down in the dungeons  
of concrete and terror  
candles light the way  
can you hear me say?  
the dungeons are calling  
the dungeons are calling for me

i can't escape  
this den must be hell  
pleasures of freedom  
denied me in this cell  
i steal from my friends  
victims of my pain  
its nearing the end  
i live like the dead

the dungeons are calling  
calling for me - oh!  
the dungeons are calling  
the rack waits for me

down in the dungeons  
i'm locked away  
suicide ride  
i take everyday  
prisoner in hell  
victim in pain  
the dungeons are calling for me

none of my friends  
want to come out and play  
they think i'm crazy  
but what can i say?  
prisoner in hell  
victim in pain  
it's nearing the end  
i live like the dead

the dungeons are calling  
calling for me  
the dungeons are calling  
the rack waits for me
