Can't bite the hand that feeds ya
'Cause you're a woman of needs, don't bite, no, don't
bite
Been robbed of your freedom, break the chains and be
free
Life's not worth living when you can't have what you
want

Beware the edge of midnight
Telling you your dreams
Don't touch the doors of daylight
'Cause you will never be free
Never ever be free

I think that you were born on the black side of the moon
Yes, you know it's true
You can't control your palace of pleasure
Outreached hands to the loom, oh
On your horizon lie a thousand broken dreams, yeah

Beware the edge of midnight
Telling you your dreams
Don't touch the doors of daylight
'Cause you will never be free
Never ever be free

I'd say you'd better listen to the power of the night
Yeah, yeah, believe it's right
Midnight spirits rage in your mind
Can't control the hands of time
And the days are slipping away, yeah

Beware the edge of midnight
Telling you your dreams
Don't touch the doors of daylight
'Cause you will never be free
Never ever be free

Beware, beware
Beware
Beware, beware
Beware, beware
