Twisted little sister  
rollerskate baby  
driving me crazy tonight  
i'm bound in your luscious chains  
beat me and hurt me  
i love to get into pain

you never knew  
what this pain could do for you  
go down-down-down  
to the penitentiary  
i tried suicide-  
little sister ride

hoping for more bodies to burn  
for such an action  
call main attraction your love  
i'm gagged-gagged and tied to a bed  
sweet tasting sister  
love what you do to my head

you never knew  
what this pain could do for you  
go down-down-down  
to the penitentiary  
i tried suicide-  
little sister ride

broken-broken heart at the seams  
hey i know you hate me  
you know you ate me so mean  
but now that my session is through  
twisted sister i'm longing for you (come here)  
you never knew baby i need you.

you never knew  
what this pain could do for you  
go down-down-down  
to the penitentiary  
i tried suicide-  
little sister ride
