I've been let loose on the town tonight  
Out of control don't need no more  
I'm feeling mean dressed in leather  
It's a screamer

City nights  
Trashing all the sites  
When will this night come to end

Washed out Washed out  
Washed out Washed out  
Washed out Washed out  
Alright

All the king's horses  
And all the king's men  
Could never put me back together again  
I guess the action wins  
How could this all begin?

It is time for just one more line  
When will this night come to end  
Washed out Washed out  
Washed out Washed out  
Washed out Washed out  
I'm washed out

It is time for just one more line  
When will this night come to end  
Washed out Washed out  
Washed out Washed out  
Washed out Washed out  
Washed out
