Baby I use to think I loved you so
But now I met someone new and I really just don't know
And i've tried to let you know just how I feel
But somehow my emotions mixed up what was fake
and real

Cause you and me
We used to be so good
And things don't seem to be just like they should
And I would never try to hurt you so
But now it's time for me to try to let you go

Now it's time for me to say good-bye
And I know I probably could have told you lots of lies
But i've always tried to do just what was best
And I never meant for your poor heart to go through all
this mess

Cause you and me
We used to be so good
And things don't seem to be just like they should
And I would never try to hurt you so
But now it's time for me to try to let you go

Cause you and me
We used to be so good
And things don't seem to be just like they should
And I would never try to hurt you so
But now it's time for me to try to let you go
