Heres the chance of life
Get ready, set, fly
High
Above the fear of your mind
Go for it its hit or miss
Too late for you to quit
You gotta show them how bad you really want this

Live your dreams
It's not as hard as it may seem
You gotta work to get the c.r.e.a.m
On your hopes you must lean
From your fears
You have to wean yourself
It's all or nothing
Give your everything

You are what you believe
You've got to bring the heat
Set the pace
Competition: take the lead
This is it all eyes on you
So stay on point and prove
That you deserve what's long overdue

Live your dreams
It's not as hard as it may seem
You gotta work to get the c.r.e.a.m
On your hopes you must lean
From your fears
You have to wean yourself
It's all or nothing
Give your everything

My heart is still recovering
From Heartbreak of another kind
I'm still drying my tears
Getting over my own fears
In my life
I wanna make sure this time
That I'm strong enough

To give it my all

Live your dreams
It's not as hard as it may seem
You got to work to get the c.r.e.a.m
On your hopes you must lean
From your fears
You have to wean yourself

It's all or nothing
Give your everything
Live your dreams

Live your dreams
It's not as hard as it may seem
(no, no)
You gotta work to get the c.r.e.a.m
On your hopes you must lean
From your fears
You have to wean yourself
It's all or nothing
(I say it's all or nothing)
Give your everything

Live your dreams
(You gotta live your dreams)
It's not as hard as it may seem
You gotta work to get the c.r.e.a.m
On your hopes you must lean
From your fears
You have to wean yourself
It's all or nothing
Give your everything

You know you've got to live your dreams
So don't you be afraid
Sacrifice
take the lead
It's your time to shine
Please believe
