Well I can say I love you or I wish wish that you
were dead. And you'd sit there smiling at me
laughing off your head. Oh I keep talking you
keep listening though it does no good well
sometimes things in this life just don't work the
way they should.

Hopen', I've been hopen' that one day you'd take
my hand. I'm praying that one day you'd say you
understand.

Well once you were the best thing in my life I
ever found. But now you leave me feeling like my
world is upside down. And I'm sorry that this
love of our has proved to be no good. But
sometimes things in this life just don't work the
way they should.

Now the end is drawing near and I'm afraid to
say, that even though I loved you so I know I can
not stay. Well you might wake up one night all
alone and wonder why. But now It's time for me
to leave and I guess this is goodbye. Oh don't
know why you got to say I'm not am goodbye.
Goodbye.
