Oh
ooooweee
owow

When I'm lookin' at you, keep thinkin
Why can't she be like you, so I'm schemin'
I can't go on like this, Believe that her love is true
Standing on the dance floor, while she drinkin'
You are all I want girl, She's a chicken
We might be together, But love is missin'
Girl I want you, So what can we do?

CHORUS

Girl if it's alright,
lets go somewhere and get it on tonight (just get it on)
I got a girl but you look good tonight (you look so good
baby)
It's one on one tonight, tonight
Girl if it's alright, (alright)
let's go somewhere and get it on tonight (get it on)
You shouldn'y have to be alone tonight (yea yea)
It's one on one tonight, tonight

Now she's lookin' at me, but keep talkin'
Oh now shes tryin to ice you, Just start walkin
Over on the dance floor, it's her fault but what did she
do?
Tell me baby
Girl if your ready
GIRL: Im ready
We can get it on
GIRL: we can get it on
I know where i went wrong
GIRL: She's where you went wrong
This is where I belong
Beloooong
Girl if I, could find the words to say, tooo say yea
I gotta get away, from a love
That kills me everyday (everyday)

CHORUS

yea yea...aww
woooo
(one on one)

CHORUS

My baby's stressin me, you need to come with me
We need to go somewhere, tonight, tonight
CHORUS
