Baby, listen to me
I've got something to say
I have finally realized
That I'm wasting my life away

And you made so many promises
That's all you ever do
So know tonight I'm leaving
And I won't come back to you

Well, it doesn't really matter
What you have to say
'Cuz' you know it won't bring us back
Won't bring back yesterday

Cuz' I'm not cryin' for you
No, no, no, I'm not cryin' for you tonight
So please listen when I say
That there's no way that I will stay
And know that, I'm not cryin' for you

I should've known that
Things would have turned out this way
Should've listened
To all the things my friends would say

How could you say you loved me?
Well, I know that wasn't true
You were never thinking of me
Cuz' you were too much in love with you

Well, it doesn't really matter
What you have to say
Cuz' you know it won't bring us back
Won't bring back yesterday

Cuz' I'm not cryin' for you
No, no, no, I'm not cryin' for you tonight
So please listen when I say
That there's no way that I will stay
And know that, I'm not cryin' for you

No cryin', no cryin'

Making empty promises is all you do
You say that you will change
But it's just not true

So, please listen when I say
That I must find a better way
There's no need for me to stay
Here with you another day
So just stop all of the lyin'

Cuz', tonight I won't be cryin' for you
No, no, no and I'm not cryin' for you
No, no, no I'm not cryin' for you tonight

So please listen when I say
That there's no way that I will stay
And know that, I'm not cryin' for you
No, I'm not cryin' for you
No, no, no, I'm not cryin' for you tonight

So please listen when I say
That there's no way that I will stay
And know that, I'm not cryin'
No, no, I'm not crying for you
No, I'm not cryin' for you
No, I'm not cryin' for you
