Lies to deceive  
Tellin' lies, tellin' lies  
I can't believe  
Lies to deceive  
So many lies, so many lies  
Why do we believe?

I've done wrong  
I've listened to the wrong advice  
I saw something in you once  
Now, I see, it ain't so nice

Trouble is, I believed in you  
I was the one who was being fooled  
But I won't let it be the same  
I won't fall back into your little game of

Lies that deceive  
Your little lies, your little lies  
I can't believe  
Lies won't retrieve  
The love you lost, the love you lost  
When you lost me

You filled my head with untruth  
Made me believe that you were you  
Fed me lines of make-believe  
But this time, it's you who'll see

Your lies, won't retrieve  
The love you lost, the love you lost  
When you lost me

When the situation occurred  
You quickly hid behind your words  
I opened up my eyes and soon I realized  
That it's too late, my love has turned to hate  
And there's nothing, nothing left for you

And your lies  
Why, why, why, do we, do we  
Why do we believe?

Why do we, why do we?  
Why do we, why do we?
