My mama said to stay away from guys like you  
she said they were nasty made me do things I don't  
wanna do  
stay away from bad boys they got one thing on their  
mind  
their hormones are raging and they want it all the time

(Chorus)  
and I know, know cause you said  
so and I can't just let you go  
and I know, know cause you said  
so and I can't just let you go

well I love you very much  
your nice to see and nice to touch  
but i would never ever ever treat you wrong  
I'll be waiting for you all alone

and I know, know cause you said  
so and I can't just let you go  
and I know, know cause you said  
so and I can't just let you go

I can't let you go  
I can't let you gooo

I said I want you to know  
I said I want you to know right now  
well I want you to know  
I said I want you to know whoa

shout  
shout  
shout  
shout  
hey (hey)  
hey (hey)  
yeah (yeah)  
yeah (yeah)

Chorus2x
