I wrote this song for you
To say I'm sorry
I know that I was wrong
And you don't like me

Why, why, why
Must you feel this way?
I wish, I had the words
I needed to say

'Cause you and me
We disagree
On everything and everyone
I only want to be your friend again

I hear you're blaming me
For all your problems
Well, if you'd quit complaining
You might solve 'em

I'll try hard
To make amends
But both of us will have
To try and give in

'Cause you and me
We disagree
On everything and everyone
I only want to be your friend again

Sorry, sorry
Sorry, sorry

I'm sorry for the things
That turned out this way
I wish I knew the words
I needed to say

'Cause you and me, we never seem
To see eye to eye
But I'm sure that we can get along
If we try

If you want to
You can just walk away
But I hope you know
Apologies are okay

'Cause you and me
We disagree
On everything and everyone
I only want to be your friend

'Cause you and me
We disagree
On everything and everyone
I only want to be your friend again
