I was sitting and awaiting
Just thinking, contemplating my life when I heard the
phone
I picked up the receiver
And I did not believe her
When I heard a voice say you're not alone

[chorus:]

When I am down and I am blue
All I have to do
Is close my eyes and think of you
And the world is new

Life was getting hectic
And things were unexpected
When I first received your call

But now it is the best thing
That filled up what was missing
And now my life is envied by all

[repeat chorus]

I was sitting and awaiting
Just thinking, contemplating my life when I heard the
phone
I picked up the receiver
And I did not believe her
When I heard a voice say you're not alone

[repeat chorus]
