i listen to my radio
i'm waiting for that song to play
i wonder what your gonna do
am i gonna hear that song today

cuz i'm counting every second
till i can sing along but the
line is always busy and
your not playing the song
can't you see i'm waiting here for you

chorus
cuz i need to hear it
no i don't know why
to lift up my spirit
and bring a tear
right to my eye
i turn it up
when i hear that song
i turn it up
and i sing along
got to hear that song again dj
i turn it up
when i hear that song
i turn it up
and i sing along
go to hear my favorite song
again today

you do what you wanna do
you say what you wanna say
the choice is always up to you
to play what you wanna play

so come on mr dj and play us
a song the one that makes us
smile and makes us sing along
can't you see i'm calling out to you

chorus

is there nothing i can do
i've been waiting here so long
the choice is up to you
would you give that song a play
cuz i got to hear it
yeah i need to hear it
yeah i need to hear it again

chorus

i turn it up
i need to hear that song
i turn it up
i need to hear that song
i turn it up
i need to hear that song
again today oh yeah

i turn it up
