The other night
Tried to go to a show
But the man at the door
He told me no

He said, "No one under 21 allowed"
But he must have been stupid
'Cause I saw my friends in the crowd

He said, you can't buy
An alcoholic drink
So we don't care
What you really think

Why's this happened to me?
And the show was for free
It sucks to be
Under 21

So I went and got myself
A plan that would work
And I went on home
And got a real short skirt

And I flirt my way right
Through that goddamn door
But once inside
The music was no more

Well, I guess I got there
Just a bit too late
I guess it's just my luck
It's just my fate

Why's this happened to me?
And the show was for free
It sucks to be
Under 21

I only want to have
A little fun
But every time I try

They tell me you're not 21
