You know I'm powerless cause what you are
I haven't argued and I can't afford to start
I got the high and low... think I got the odds
I'm holding everything I hold close to my heart

But notice I'm changing
And dying just waiting to call

You are the ace of spades
I'm the king of hearts
You are the only one to make me fall apart
I made to mistakes
I was seeing stars
You are the only one
You are the only one

I saw the weather change
I had a plan
To fill in all the expectations of a man
You let your focus stray
You wanted more
Some kind of angel with the notions of a whore

You notice I'm changing
And dying just waiting to call

You are the ace of spades
I'm the king of hearts
You are the only one to make me fall apart
I made to mistakes
I was seeing stars
You are the only one
You are the only one

I understand now how I could be so wrong
I understand that you needed me to know
I took a stand for me, and me alone
What did it stand for?

You are the ace of spades
I'm the king of hearts

You are the only one to make me fall apart
I made to mistakes
I was seeing stars
You are the only one
You are the only one
