Go if you wanna go  
Don't wanna lie here while you cry yourself to sleep  
And say what you wanna say  
Cause I can see by your face that somethings not the  
same

Hey, hey everything's okay  
I love you more than I can say  
But we can't stay the same  
Yeah!

Do what you wanna do  
Don't wanna keep you here holding so tight you can't  
breathe  
And stay another minute stay  
Cause I don't think I wanna live here dying all alone

Hey, hey everything's okay  
I love you more than I can say  
But we can't stay the same  
Yeah!  
Well I've been thinking about the words I've said before  
When I was locked outside and pounding on the door  
I wish I said "I'm sorry, sweetheart I can't be  
the man I've lead you to believe that I would be.  
Somewhere deep inside I know there's something  
wrong  
I know you're never safe around me anymore"

Well hey everything's okay  
I love you more than I can say  
But we can't stay the same  
Yeah!

Hey, hey everything's okay  
I love you more than I can say  
But we can't stay the same  
Yeah!
