And I wanna move the town to the clash city rockers  
Need a little jump of electrical shockers  
Better leave the town if you only wanna knock us  
Nothing stands the pressure of the clash city rockers

See the rate at they come down the escalator  
Listen to the tube train accelerator  
Then you realize that you got to have a purpose  
This place is gonna knock you out sooner or later

So don't complain about your useless employment  
Jack it in forever tonight  
So shut your mouth and pretend you enjoy it  
Think of all the money you've got

And I wanna liquefy everybody gone dry  
Plug into the aerials, poke up in the sky  
Burn down the suburbs through the half-closed eyes  
You wont succeed unless you try

So don't complain about your useless employment  
Jack it in forever tonight  
So shut your mouth and pretend you enjoy it  
Think of all the money you've got

You owe me a move say the bells of St. Groove  
Come on and show me say the bells of Old Bowie  
When I am fitter say the bells of Gary Glitter  
No one but you and I say the bells of Prince Far-I  
No one but you and I say the bells of Prince Far-I

Rock, rock clash city rockers  
Rock, rock clash city rockers  
Rock, rock clash city rockers  
Rock, rock clash city rockers  
Rock, rock clash city rockers
