Do you know what I love the most?  
Even suburbs will be okay  
With you between my sheets  
The breeze in the window

'Cause we will go there  
And ignore all our neighbors  
I think I'll bring you breakfast  
Play Johnny Cash on the stereo

I'll sit in the lazy chair all day  
Remembering the things you do  
So when you come home  
I'll jump up to kiss you

And it'll knock you back  
Fall over our TV set  
I'll pick you up to dust you off  
Baby let's give it a go

I'll kiss your thighs  
To make you feel all right  
Then I will get closer  
To taste a little sweat

Oh oh, I think I'm rearing to go  
You're gonna get knocked out  
And tied up in my trunk  
In ten years we'll go to Ohio  
Steal Cadillacs for a living  
Yeah, alright
