no more, no more, no more, no more
ohh baby

i've gone over and over in my head
but i just can't erase the pain no more (i don't want it no
more)
it's hanging over my head but i just can't chase this
chance away
no i can't chase them away no

cuz it's killing me when you act like it's over
and i really want to make this right
cuz you know that i can't live without you
(ohhhh no more)

never know a chance to see what's on mind
but if you give me the chance i can make it right
give me another try,
never got the chance to appologise
never got the chance to say it baby
no more(no more)
no more(no more)
cuz im not the man that you knew before
no more(no more)
no more(no more)
now girl ima tell you about the man that you knew
before
is no more baby, no more

im really sorry baby for what i did
now im gunna make a change and im really gunna say
this girl
you know i just want you back i know i messed it all up
i know you can find it in your heart, i need forgiveness

cuz it's killing me when you act like it's over
and i really want to make this right
i don't know what came overr me
(ohh no more)

never know a chance to see what's on mind

but if you give me the chance i can make it right
give me another try,
never got the chance to appologise
never got the chance to say it baby
no more(no more)
no more(no more)
cuz im not the man that i was before
no more(no more)
no more(no more)
now girl ima tell you about the man that you knew
before
is no more

girl got to tell me what you want from me
girl tell me what will it take for you to just belive in me
all i'm asking is just for one more try
(ohh)

never know a chance to see what's on mind
but if you give me the chance i can make it right
give me another try,
never got the chance to appologise
never got the chance to say it baby
no more(no more)
no more(no more)
cuz im not the man that i was before
no more(no more)
no more(no more)
now girl ima tell you about the man that you knew
before
is no more, no more, no more, no more
