(Piano intro)

Stay with me,
oh stay with me,
through my troubled times,
oh and the good ones to

Stay with me,
oh stay with me.
I am dying to set your heart on fire again

I was lost,
It was dark,
I kept stumblin'
I was lost,
I couldn't lift,
my eyes from my shoes.
Sweet fingers broken straight into my retina
I was lost,
I saw your face,
and I saw it was true.

Stay with me,
oh stay with me,
through my troubled times,
oh and the good ones to

Stay with me,
oh stay with me.
I am dying to set your heart on fire again

I took a quick laught right
before the blinding lights.
I swirred and hit the floor
flat on my teeth.
I was wasted, hazed and dissy.
Torn between myself
be my guide on land,
in the air or out to sea.

oooh stay with me,

oh stay with me,
Trough my troubled times,
and the good ones to.
Stay with me,
oh stay with me

I'd be dying in here,
if you ever let go.
Am I trying to hard?
Was I ment to be poor?
Am I working to much much,
or maybe to slow?
I don't know, I don't know
I don't know, I don't know
without you baby

Stay with me,
oh stay with me,
through my troubled times,
oh and the good ones to

Stay with me,
oh stay with me.
I am dying to set your heart on fire again

Stay with me,
oh stay with me,
through my troubled times,
oh and the good ones to

Stay with me,
oh stay with me.
I am dying to set your heart on fire again
