Youve seen life through distorted eyes
You know you had to learn
The execution of your mind
You really had to turn
The race is run the book is read
The end begins to show
The truth is out, the lies are old
But you dont want to know

Nobody will ever let you know
When you ask the reasons why
They just tell you that youre on your own
Fill your head all full of lies

The people who have crippled you
You want to see them burn
The gates of life have closed on you
And now theres just no return
Youre wishing that the hands of doom
Could take your mind away
And you dont care if you dont see again
The light of day

Nobody will ever let you know
When you ask the reasons why
They just tell you that youre on your own
Fill your head all full of lies

Where can you run to
What more can you do
No more tomorrow
Life is killing you
Dreams turn to nightmares
Heaven turns to hell
Burned out confusion
Nothing more to tell

Everything around you
Whats it coming to
God knows as your dog knows
Bog blast all of you
Sabbath bloody sabbath

Nothing more to do
Living just for dying
Dying just for you
