Nightmares
Demons haunt my taunted mind
I'm scared
Death's foreseen unglorious

Please father
Make my demons disappear
Please mother
Death is everywhere

My son, I've seen your fear
I have felt your pain
No harm will come to you
An oath has been sworn

The evil forces around us
Still want to destroy me
Who is the evil slayer?
I cannot see, cannot see

Loke, the deceitful God
Discovers the arrow of death

Pointed for Hyder, the blind
By the jealous Loke
The arrow cuts through the skin
And into the heart of the bright one

Silence spreads throughout
The hall of Aesir
As the God of light falls
To his knees dying, dying

Sorrow throughout the nine worlds
The bright God is gone
Sent to Nifelheim by the deceitful
