I guess I'm a loaded gun
and waiting
when I shoot
I aim for the kill
I take my time in a confrontation
I speak my mind
I speak my mind

OOOOoooooh
Look what you've done
OOOohoooooh
Look what you've done

You Went and played with a loaded gun
a loaded gun
mmhmmm
a loaded gun

You think your soo fine
With your precious etiquitte
I think its best
when you say nothing at all
You don't stumble in a conversation
Go take your time
Take your time

OOOOoooooh
Look what you've done
OOOohoooooh
Look what you've done

You Went and played with a loaded gun
a loaded gun
mmhmmm
a loaded gun
You were very
With no target in sight
Your fingers on the trigger
The Trigger

I state my case
on a breach of promise

I speak my mind
I speak my mind

OOOOoooooh
Look what you've done
OOOohoooooh
Look what you've done

Went and played with a loaded gun
a loaded gun
a loaded gun
mmmhmmm
a loaded gun

Your went and played with a loaded gun
Your went and played with a loaded gun
Loaded gun
Your went and played with a loaded gun
Your went and played with a loaded gun
A loaded gun

I guess I'm a loaded gun
and waiting
Do far shoe could
and I'll aim for you.
