After all the pain ya' put me through
I can't stand to see the sight of you
And you won't drown me in your misery
You'll have to find someone else
To be your company

Facts first this opinion
Nothin' never'll last forever
So when she said she was leavin' this time
I smiled and said
I'd let her
Never in my life am I so glad to see
Somethin' end
So in retrospect to everything
Well I'm hysterical it did, well it did

Cuz' after all the pain ya' put me through
I can't stand to see the sight of you
And you won't drown me in your misery
You'll have to find someone else
To be your company

It's not a question of love and hate
You made our life together so desolate
Well I'll just call this my resurrection
My savior from self destruction

Cuz' after all the pain ya' put me through

I can't stand to see the sight of you
And you won't drown me in your misery
You'll have to find someone else
To be your company

YeaÂ...yeaÂ...yea
They say that misery loves company
YeaÂ...yeaÂ...yea
They say that misery loves company

Cuz after all that ya' put me through
I never want to see you again
Cuz I have come to terms

This aint no life or death
Situ ~ ation

Cuz' after all the pain ya' put me through
I can't stand to see the sight of you
And you won't drown me in your misery
You'll have to find someone else
To be your company

After all the pain ya' put me through
I can't stand to see the sight of you
And you won't drown me in your misery
You'll have to find someone else
To be your company
