

Saving Abel "Beautiful Day"

Visit "[Beautiful Day](#)" on MotoLyrics.com

I started out today
Thinking 'bout something else
As you lay beside me

It was a rude awakening
As I wiped the sleep
From my eyes

But it's a beautiful day
It's a beautiful sunrise
I don't wanna see you cry

You started whispering
This can't be happening
'Cause I don't wanna lose my cool

But was it something I said?
Or something I did
Ooh, to spark the flame?

But it hurts to see your face
It hurts to hear you cry
It hurts to see the look in your eyes, oh yeah

'Cause it's a beautiful day
It's a beautiful sunrise
But I don't wanna see you cry

But I can take away your pain
The feeling's just the same
But I can't stand to see you cry

The list goes on and on
There's never enough
But who is when and when is where
We've been there it's tough

But if I've come too far
It's not far enough
But we'll get there, just take your time
Realize that you believe in me

'Cause it's a beautiful day
It's a beautiful sunrise
Oh, I can't stand to see you cry

But I can take away your pain
The feeling's just the same, yeah
But I can't stand to see you cry

But it's a beautiful day
It's a beautiful sunrise
Oh, I just wanna see you smile

'Cause I can take away your pain
The feeling's just the same, yeah
I just wanna see you smile
The list goes on and on
