A million faces, A million names  
A million boys but they're all the same  
Until I set my eyes on you  
Yeah

Like a moth into a plane  
I just could not look away  
There's nothing else for me to do

You give me butterflies  
Tangled up inside  
I wanna close my eyes and hold on to this feeling  
Butterflies  
So tounge tied  
Here's what I'm trying to say  
You give me butterflies

The way you look  
The way you laugh  
The way you love and don't hold back  
Your everything I've waited for  
Yeah

I have never felt so much  
It's like a promise when we touch  
I could not ask for something more  
And I love the way your hand fits in to mine

You give me butterflies  
Tangled up inside  
I wanna close my eyes and hold on to this feeling  
Butterflies  
So tounge tied  
Here's what I'm trying to say  
You give me butterflies

And every word is like a song  
Ba dada ba dada ba dada da  
And I can't help but sing along

You give me butterflies

Hmm-mm

Butterflies

Tangled up inside

I wanna close my eyes and hold on to this feeling

Butterflies

So tongue tied

Here's what I'm trying to say

(What I'm trying to say)

Baby I hope that you stay

(I hope that you stay)

You keep give me butterflies

Ba dada ba dada ba dada da

Butterflies

I wanna close my eyes and hold on to this feeling

Ba dada ba dada ba dada da

Ba dada da

Butterflies

I wanna close my eyes and hold on to this feeling
