Lipstick Changes Everything About A Girl
Been Waiting
Making All My Plans For You
You Got Me Turning Inside Out And It Feels Like Falling

Careful, Holding Onto My Heart
I Knew You Were Something From The Start
You Got Me Talking In My Sleep
Do You Hear Me Calling
Do You Hear Me Calling

It's Not Love It's A Crush
It's A Momentary Rush
It's Not Real It's A Trick
Just A Temporary Fix
But It's Good
And I Wish That You Would

I Love Every Little Thing You Do
Lately, I Can't Get Enough Of You
You Got Me Swimmin' In Myself
And I Could Be Saying

I Don't Know If This Could Go Anywhere
I Like You So Much That I Don't Care
You Got Me Dreaming Of Your Face
And I'm Thinking

It's Not Love It's A Crush
It's A Momentary Rush
It's Not Real It's A Trick
Just A Temporary Fix
But It's Good (You Crush Me)
And I Wish That You Would (Come Crush Me)
