Times before I walked through the valley  
Below the sun  
I've wandered endlessly and waited for  
My time to come

I think I'm drowning  
Can someone lend a hand?  
Can someone save me?  
'Cause I don't think I can

I've gone too far to turn around  
It's hard to reach for you  
When I'm lying face down  
I can't relieve my soul  
I'm lost in a moment  
Lying face down

Returning home I find myself  
Wishing I was already gone  
But how long does it take to find me  
Well, I'm waiting for someone  
I think I'm drowning  
Can someone lend a hand?  
Can someone save me?  
'Cause I don't think I can

I've gone too far to turn around  
It's hard to reach for you  
When I'm lying face down  
I can't relieve my soul  
I'm lost in a moment  
Lying face down

I've gone too far to turn around  
It's hard to reach for you  
When I'm lying face down  
I can't relieve my soul  
I'm lost in a moment  
Lying, lying

I've gone too far to turn around  
I've gone too far to turn around

In a moment  
Lying face down
