If it ain't worth it when you see me love you
If it ain't worth it when I'm on my knees
If I'm no good for you then why are we here?
Don't think you're gonna get the best of me, yeah

Love sadistic, you're so vicious
Am I wasting my time?
Your intentions, my suspicions
(?)

Love sadistic, you're so vicious
The way you got a hold on me
It's all in the way that
It's all in the way that you smile

Spend all my time wasting all of my lives
I know it's right, still I apologize
What you don't see is I that I wanna be here
But don't think you're gonna get the best of me, yeah

Love sadistic, you're so vicious
Am I wasting my time?
Your intentions, my suspicions
(?)

Love sadistic, you're so vicious
The way you got a hold on me
It's all in the way that
It's all in the way that you smile

Baby, will you loosen your hold?
Cause I don't wanna have to start over
I don't wanna lose control
But it's already out of, it's already out of my hands

Love sadistic, you're so vicious
Your intentions, my suspicions
(?)

Love sadistic, you're so vicious
The way you got a hold on me

It's all in the way that
It's all in the way that you,

Love sadistic, you're so vicious
Your intentions, my suspicions yeah
Love sadistic, you're so vicious
The way you got a hold on me
It's all in the way that
It's all in the way that you smile
