I know I make a fool of myself sometimes
And everyone points in my face
They point in my face
And every time I try to stop and think
I can't think of anyone else to blame
Else to blame

'Cause I'm not always see-through
Just turn around and take a look at my face
And tell me something's changed
And I'm not always truthful
I know I've made a lot of mistakes
But I'm only human

I don't expect you to know just how I feel
Or how this breaks my pride
Yeah, it's a thorn in my side
But it always seems like the life I live
Is on display
Yeah, it's in the light

'Cause I'm not always see-through
Just turn around and take a look at my face
And tell me something's changed
And I'm not always truthful
I know I've made a lot of mistakes
But I'm only human

I'm only human
I'm only human

'Cause I'm not always see-through
Just turn around and take a look at my face
And tell me something's changed
And I'm not always truthful
I know I've made a lot of mistakes
But I'm only human
