

## Saving Abel

### "Parachute"

Visit "[Parachute](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I'm always parachutin' from an airplane.  
Thinkin' I'm gonna be the crash on the scene.  
Don't look down now  
Just enjoy the fall (just enjoy the fall).

Yea, I know I will soar  
When I pull on the chord.  
When I pull the string  
Heaven will be waiting on me.  
Yeah, don't let me go now.  
Heaven will be waiting on me, yeah  
Slow me down, I'm landing.

Whether you'll save me, whether I'll fall.  
If you push me out or if I jump at all.  
I won't look back now, won't look back at all (won't look  
back at all).

Yea, I know I will soar  
When I pull on the chord.  
When I pull the string  
Heaven will be waiting on me.  
Yeah, don't let me go now.  
Heaven will be waiting on me, yeah  
Slow me down, I'm landing.

We can take it with us  
And we can save it all.  
If we can find the courage  
To just take the fall.  
It might feel a little dangerous,  
So afraid to one.

Here we go.  
Here we go.

When I pull the string  
Heaven will be waiting on me.  
Don't let me go now.  
Heaven will be waiting on me, yeah.  
Heaven will be waiting on me.

Yeah, don't let me go now.  
Heaven will be waiting on me, yeah.  
Slow me down, I'm landing.
