A little heartache goes a long way  
Guess this is what love's all about  
I missed on Monday, a terrible Tuesday  
Maybe someday I can work it out

But here we go again  
It's finally sinking in

That's just my kind of luck  
But I'm not giving up  
I don't know what I'm thinking  
She got over me

That's no way to love  
When you start adding up  
I guess I must be dreaming  
She got over me  
Whoa, I'm over this feeling

Yes, I'll admit it's hard to handle it  
I stood my ground, anything goes now  
Yet I'll never let it get me down  
Maybe someday I can work it out

Well I lost myself again  
Whoa, it's finally sinking in

That's just my kind of luck  
But I'm not giving up  
I don't know what I'm thinking  
She got over me

That's no way to love  
When you start adding up  
I guess I must be dreaming  
She got over me  
Whoa, I'm over this feeling

Are you staring at the ceiling?  
Are you counting all the stars?  
Knowing I'm there in your heart

All's fair in love and war  
You'll find your way  
Thanks for the battle scars

That's just my kind of luck  
But I'm not giving up  
I don't know what I'm thinking  
She got over me

That's no way to love  
When you start adding up  
I guess I must be dreaming  
She got over me  
She got over me  
Oh, I'm over this feeling, yeah  
She got over me
