I'm the life of the party  
So contagious  
All the boys wanna catch me  
But I'm just playin'

[one]  
One, Two come and see what I can do  
[two]  
Two, Three everybodys after me  
[three]  
Three, Four let me tell you what's in store  
Lets go, everybody on the floor

I'm supergirl  
I'm everywhere  
I'm flashing lights  
They stop and stare  
I'm fire red  
I'm on a roll  
I'm in your head and everybody knows  
I'm, I'm, I'm supergirl

I'm the perfect disaster  
You can't stop me  
Coming faster and faster  
But you just watch me [you just watch me]

[five]  
Five, Six don't you want a little fix  
[six]  
Countdown, get a little crazy now  
[nine]  
Nine, Ten see me work the room and then  
Hold on ready here we go again

I'm supergirl  
I'm everywhere  
I'm flashing lights  
They stop and stare  
I'm fire red  
I'm on a roll

I'm in your head and everybody knows  
I'm, I'm, I'm supergirl

Walking every wire  
Set the world on fire  
No one's shining brighter  
Oh Oh Oh  
I'm supergirl  
I'm fire red  
I'm on a roll  
I'm in you head and everybody knows  
I'm everywhere  
Those flashing lights they stop and stare  
I'm fire red  
I'm in your head and everybody knows  
I'm, I'm, I'm, I'm, I'm supergirl  
I'm, I'm, I'm supergirl  
I'm, I'm, I'm supergirl
