You know all my deepest secrets
I think you know, you know to keep 'em
But I wonder if you know
I hate sleeping alone

So come and tell me what my kiss taste like
Don't wanna miss it so turn off the lights
But I wonder if you know
I hate sleeping alone

I have to fake it
I'd leave if I could
I'm not in love but the sex is good
You can't mistake it
'Cos it's understood
I'm not in love but the sex is good
(yeahhhh, mmhmm)

You got to know, know my weakness
You always touch in all the right places
We don't get along that well
Not much for talk but you're hot as hell

I have to fake it
I'd leave if I could
I'm not in love but the sex is good
You can't mistake it
'Cos it's understood
I'm not in love but the sex is good
(yeahhhh, mmhmm x2)

It's not like I don't wanna stick around
It's just tonight I'm gonna lay you down

So you now you know what my kiss tastes like
So in the mornin' I'll say goodbye
But i wonder if you know
I hate sleeping alone

I have to fake it
I'd leave if I could
I'm not in love but the sex is good

You can't mistake it
'Cos it's understood
I'm not in love but the sex is good
x2
(yeahhhh, mmhmm x2)
