Oh dreamland  
Oh dreamland

I am the woman in the window  
See the children playing  
Soldier, sailor, young man on your way  
To the summer swimming pool

Can you see me standing  
In my window, can you hear me laughing?  
Come upstairs, sir, to your room  
And I will play for you

Oh, dreamland, golden scene land  
Try to sleep land, take us to dreamland  
I am unhappy far from my woman  
Just try and stop us, we're going to love

Just try and stop us, we're going to love  
Just try and stop us, we're going to love

"Eat at my table", she cried to the vineyards  
Calling the workers home from the meadows  
Man, you are evil, get out of my garden  
Just try and stop us, we're going to love

Just try and stop us, we're going to love  
Just try and stop us, we're going to love  
Just try and stop us, we're going to love  
Just try and stop us, we're going to love

Cover us over, love

Open your window, women of Palestine  
Throw down your raiment and cover us over  
Riding the prairie, just me and my angel  
Just try and stop us, we're going to love

Just try and stop us, we're going to love  
Just try and stop us, we're going to love  
Just try and stop us, we're going to love

Just try and stop us, we're going to love
