Wishin' and hopin' and thinkin' and prayin'  
Plannin' and dreamin' each night of her charms  
That won't get you into her arms

So if you're lookin' to find love, you can share  
All you gotta do is  
Hold her and kiss her and love her  
And show her that you care-are

Show her that you care just for her  
Do the things she likes to do  
Wear your hair just for her  
'Cau-ause, you won't get her  
Thinkin' and a-prayin'  
Wishin' and a-hopin'

'Cause wishin' and hopin' and thinkin' and prayin'  
Plannin' and dreamin' her kisses will star-art  
That won't get you into her heart

So if you're thinkin' how great true love is  
All you gotta do is  
Hold her and kiss her and squeeze her  
And show her that you care-are

You gotta show her that you care just for her  
Do the things she likes to do  
Wear your hair just for her  
'Cau-ause, you won't get her  
Thinkin' and a-prayin'  
Wishin' and a-hopin'

'Cause wishin' and hopin' and thinkin' and prayin'  
Plannin' and dreamin' her kisses will start  
That won't get you into her heart

So if you're thinkin' how great true love-ove is  
All you gotta do is  
Hold her and kiss her and squeeze her and love her  
Yeah, just do it and after you do, you will be hers  
You will be hers

You will be her-ers
