"Forsake"

only look into your future

don't worry about the life you left behind
each one has a cross to bear
and time, time makes all things new

look at me and look into my eyes
sweet child, you'll know there's a lot to learn

somewhere along the way
somebody wasn't strong
now our future's all gone wrong

and now somebody has to pay
but it shouldn't be you
and it really shouldn't be me

and i wouldn't mind
i wouldn't really care
but this time there's a little too much to bear

it's a shame, it's really a shame
but i don't want to forsake you all the same

do you feel you've robbed yourself
it could've been better for us
i can't confide in you now

i'm not forsaking you, baby
i'm not forsaking you, angel
