"The Leaving Song"

Visit "[The Leaving Song](#)" on MotoLyrics.com

I'm leaving this garden
So delicate
What can I offer it?
What can I offer it?

I'm leaving Australia
So tired of this labour
All in I like tumbleweed
Feels the wind this night

I'm leaving Minneapolis
Nothing can stop me
All the world's sympathy
Cannot detain my kind

And I can't see for looking
I can't hear for the ringing
"It's all in your head"
That's what she said

That's why I'm leaving this garden
So delicate
What can I offer it?
What can I offer it?

I'm leaving Manhattan
To soon be forgotten
I'm trapped upon this island
While pulled by the tide

I'm leaving Minneapolis
Nothing can stop me
All the world's sympathy
Cannot detain my kind
