

Saving Jane "Reasons Why"

Visit "[Reasons Why](#)" on MotoLyrics.com

In the company of strangers I am less than fine
I am turning into wallpaper before your eyes
Somehow I always end up on the wrong side of this
fight
One day I will get it right

And I am not so hollow
I have nothing left for you to borrow

Maybe it's not too late for me to fly
Maybe you underestimated me and now it's time
'Cause I am tired of this fire
And I don't need your reason why

No more choking on regrets to keep you satisfied
I am coming up for air out of this heavy night
Oh, the scenery is different when you're not so small
I think I can take this fall

And I am not so hollow
I have nothing left to borrow

Maybe it's not too late for me to fly
Maybe you underestimated me and now it's time
'Cause I am tired of this fire
And I don't need your reasons

Light up the sky for me
Oh, I've been down too long
And when you turn your eyes
To see me, I'll be gone

Maybe it's not too late for me to fly
Maybe you underestimated me and now it's time
'Cause I am tired of this fire
And I don't need your reason why, hey
Maybe it's not too late for me to fly, yeah, yeah, hey
