Little Miss Mary Sunshine had a bad day  
She says it's overrated living this way  
She took her hair down, left her sweater on the floor  
She's not a nice girl any more

She says I won't apologize  
Stand up girls and dry your eyes  
And I'll see you on the other side of good  
Where we say Na na na na na na na na na  
Na na na na na na na na na  
On the other side of good

She paints her fingernails in black, she's on the run  
On the wrong side of the tracks where life is fun  
She points a finger but there's nobody to blame  
All the people in her memory look the same

She says I won't apologize  
Stand up girls and dry your eyes  
And I'll see you on the other side of good  
Where we say Na na na na na na na na na  
Na na na na na na na na na  
Na na na na na na na na na  
Oh  
Na na na na na na na na na  
Na na na na na na na na na  
On the other side of good

Everybody's favorite girl  
Doesn't fake it anymore  
I'm okay with who I am today  
Everybody's got to change  
I'm just doing what I can  
Could you love me anyway

She says I won't apologize  
Stand up girls and dry your eyes  
And I'll see you on the other side of good  
She says I won't apologize  
Stand up girls and dry your eyes  
And I'll see you on the other side of good

Where we say Na na na na na na na na na  
Na na na na na na na na na  
Na na na na na na na na na
