Intro: Jermaine Dupri

B Side, B side, ha, check it
So So Def ... Bad Boy ... collaboration
The Notorious BIG in the house
We got Da Brat in the house
And me, y'all know who I be
Check it ...

I got that shit all you niggas just love to ride to
Funk for your trunk is what I provide you
So slide through your hood with me in your deck
Cause your correct way to get your groove on FLOMPS
And I paid the costs to be the boss as a kid
Fucked around and made some shit you can't fuck with
They thought luck did it, but it didn't cause I'm back
again
Back with the Big and my new-found friend

[Da Brat]
Sliding in from the front, never way behind
Niggas wonder how I came with this style of mine
Remain in your seats as I release the clip into yo' hip
Brat and Biggie Smalls...

[Nortorious B.I.G.]
Aw, shit!
On top of all that, I'm so, so remarkable,
Flow to make you motherfuckers know
Ain't an MC coming close to touch
Bitches I like to fuck, guns I like to bust, so...

Chorus (2x): Manuel Seal
Lay on back, light up the blunts
As we give you motherfuckers just what you want

[Notorious B.I.G.]
I never knew, niggas had a clue
On who was the king of the street
More deep than a Range Rover jeep, guns under the
seat

And my nigga just came home from work, release
Cristal in my lap, chronic in the air
(Brat: Nigga, pass that shit like you just don't care)
Yeah, you on my shit list, Biggie burns spliffs
when I'm pissed, release the Rolex from your wrist
Nigga, no human being, Korean or European
be seein' what Big be seein', I leave 'em peein'
in they draws, because Biggie Smalls
Is far from weak -- Brat-tat-
