The Martyrs Cry

Lord God, free us, we have been caught in the lie  
Save us, Jesus, we seek asylum in your eyes ...  
As they feast on our blood  
Vengeance come, open the heavens above ...

Under the altar the souls of the martyrs;  
Slain for the word of God ...

Lord, how long?  
Lord, when will it end?  
When shall thee avenge our deaths?

Jesus, help us, save us, seal us,

Speak to us ... Jesus, Lord, vindicate our blood ...

"Run to me, my child of light  
In this your darkest hour ...  
For I am here with you,  
I have cried the tears with you,  
My eyes bleed time and truth  
Unto the vine of the earth ..."

"He who endures until the end shall be with me ...  
In the arms of the Son,  
In the grace of His love,  
In the promise I come ..."
