Is there no fear of God  
Before your eyes  
Through his law comes knowledge  
Through his eyes seek immortality  
Through eternal life  
For passing judgement on him  
You condemn yourself beyond  
the wall of life...  
Beyond the wall of life  
My flesh will dwell in hope  
Justified through words  
Written on my heart  
My truth abounds to his glory  
My throat an open grave  
We are justified by faith  
Through him we have obtained  
The access to his grace  
In which we stand  
My children, this is the final hour  
And this is the Antichrist  
He who denies the Father  
and the Son.
