Yeah, the relevance, you already know
Can see me and my nigga Harry Fraud getting ten
dollar lap dances
Looking like young kings
We graciously walk in the dirt back spot
Sit down and proceed with the wrong
Check it!

Hey yo road dealer, fly like griffin over a four wheeler
Fuck you even when you're breathing, hope the Lord
heal you
Thought you was live, look in my eyes, but then you
was so realer
We trace the bitches that you worship, you're a hoe
kneeler
Time to get smashed like negligent pedestrians
Rocking fresh bold, just eating pussies like we're
lesbians
Irreversible illness swinging like they're slap boxing
Rap talks to leave the... back, we'll take the smack
options
Like watching dick riders, babysit and moves I make
Still in the jungle, acting humble, moving cubes are
fake
You's a fake! Your story couldn't pass the market
test
Back covers looking right, just couldn't have a
sharper breast
Austin flesh sprinkled with blue cheese
My new... true cheese, I play for that team
We got a winner record!
Leave them hurting, catch a... with a vicious ethic
Unsuspecting clock which is never unprotected

And when we go in that dirt back spot looking like
money
They get offended cause they know
That we're not gonna tip more than anybody else in
there
Just because we could.
So you see us in the dirt back spot looking righteous

And know what the fuck time it is
We're in here!
Many nights I shout dice in the fuck drug deal, nigga
Yo, yo, yo!

Keep my chain rocking, yo cape back
You stay... you're deader than dissected for your
dead
Just call it pay back!
Gray hat, snickers for match
Look at me styling, you're a boat and I'm a
portable...
And more than goes... last time I gotta splash
And stay truce for my medallion
Remain right, I will play...
Something European get wrapped around my foot
Get paid like Jeremy Wayne, living off of the hook
Uh, never soar, gave you power like a handy...
We got stripes, green marks on a salmon burger
Collecting currency correctly, I'm a candid learner
But none eclipse Savannah trips, you're just a
standing earner!
