Fallin' in and out with you
Fallin' in and out with you
Fallin' in and out with you
You-ou-ou, you-ou-ou

I never realised you're comin' home
I never thought you would
Until tonight I was a single man
Without a worry in the wor-orld (wor-orld)

Red faced, red handed too
You caught me with my trousers down
You walked in the room after all these years
Then found, I'm not alo-one - not alone

Fallin' in and out with you
Fallin' in and out with you
Fallin' in and out with you
You-ou-ou, yes you-ou-ou

You [whispered]

I never realised you're comin' home
I never thought you would
Until tonight I was a single man
Without a worry in the wor-orld (wor-orld)

Fallin' in and out with you
Fallin' in and out with you
Fallin' in and out with you
Oh, good-bye-ye-ye
Oh, good-bye-ye-ye-yeah

Fallin' in and out with you
Fallin' in and out with you
Oh, good-bye-ye-ye-yeah-eah
(Fallin in and out with you)
You got me fallin' in and out with you-ou-ou
My heart is brea-eakin' too
(Fallin' in and out with you)
Caught me with my trousers down

(Fallin' in and out with you)
I'm fa-a-a-a-alli-in'
(Fallin' in and out with you)
Ooh, I'm fallin' in and out with you-ou-ou
